PROPOSED AMENDMENT FOR INTERVIEW PURPOSES

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the final Official Action dated July 3, 2002, please consider the
following amendments made in connection with the above-captioned application.

UNOFFICIALI. In The Specification

Please amend the specification by replacing the second paragraph on page 2
thereof with the following:

"This object is achieved by a substrate for packaging of or for attachment to
products which are sensitive to aging and temperature, having a time-temperature
integrator arranged in the region of the substrate, wherein the time-temperature
integrator contains a matrix and at least one reversible, crystalline indicator
embedded therein, which has photochromic properties on the basis of transfer
